ROCK RAPIDS, IOWA

GENERAL INFORMATION

Time and Place: Sale starts promptly at 12:00 o'clock noon, Central Standard Time, on Monday, Nov. 12, 1962. Lunch will be served at the farm. The sale will be held at Von Ber Mar Farms, Lenox, Iowa, 20 miles Southwest of Creston, Iowa. Creston is located at the junction of U. S. Highway 34 and Iowa Highway 25. To reach the farm from Creston, take U. S. Highway 34 southwest to Stringtown, turn South on Highway 49 to Lenox. Farm is one mile Southwest of Lenox.

Transportation: Creston is on the main line of the C. B. & Q. Railway running from Chicago to Omaha and Denver and is also on Bus Lines from every direction. Modern airports are located at Creston and Corning and there is an air strip for light planes at Lenox.

Sale Headquarters: As a matter of convenience, we will name the Iowanna Hotel at Creston, Iowa as sale headquarters although there are four good motels on Highway 34 at Creston for those who prefer such accommodations. There are also good motels at Corning, Iowa, for those coming from the west. We will be glad to meet planes, trains or buses at any point if notified in advance. Von Ber Mar Farms are 90 miles Southeast of Omaha and 90 miles Southwest of Des Moines.

Sale Manager: Albert J. Hamann, Rock Rapids, Iowa.

Guarantee: All cattle will be sold under the Standard Guarantee of the American Shorthorn Association. Cattle at owner's risk when sold but every care and attention will be given until shipment is made. Terms of sale are cash. Settlements to be made with clerk immediately following the auction. Leave shipping instructions with the clerk. All transactions constitute a contract between Vaughn V. Moore, the seller, and the buyer of each lot. Neither the sale managers nor the clerk nor the auctioneers assume any liability for the contract or the fulfillment of guarantees.

The seller reserves the right to fix a reserve price, and to announce same before the bidding begins or during the time of the bidding or at the conclusion thereof.

Liability: Although every precaution will be taken to provide for the safety and comfort of those attending, all who attend do so at their own risk. Neither Vaughn Moore, nor the sale managers nor the auctioneers nor clerks can accept any liability for accidents that may occur. The sale managers were retained for specific purposes, promotional and clerical, and have no connection with the handling of the cattle or condition of the premises.

Health: All cattle will be sold to comply with health regulations of the State of Iowa. Calfhood vaccination is practiced in the Von Ber Mar herd. Every possible precaution has been taken to insure the health, soundness and good-doing ability of these cattle. Health certificates will be furnished with each lot sold.

Breeding Dates: Will be given sale day. Any information from the block supersedes written material in the catalog or elsewhere.

Welcome to Von Ber Mar Farms - - -

We cordially invite you to attend our third annual sale. We sincerely believe we have much to offer you. Although our herd was established nearly a decade ago, its existence is relatively short in the lifetime of a breeder. Our purpose and aim at the outset was to establish a large herd, one with capacity enough to supply royally bred seed stock at all times. We now believe the size of our herd is adequate and the size of our farms sufficient to maintain it. We believe now we are in a position to hold annual sales of the size and quality we desired with most of the animals offered being predominately of our own breeding.

However, we shall always exert every effort to progress and improve our herd with selective additions of further improving sires and herd foundation females. If you will study this catalog carefully, we believe that you will agree that this has been and always will be our policy.

We are proud of the progress we have made at Von Ber Mar Farms in a few short years. We believe our herd is now one of the largest and strongest in North America. Every one of our great herd bulls had a great proven record or a strong background of proven ancestry when we acquired them. Every one has now had an opportunity to prove himself at Von Ber Mar Farms which each has done beyond our most hoped for expectations. The royally bred cow herd of over 200 head has now been molded into a uniform producing unit with each one carrying her share in producing improvers of Scotch Shorthorns. Our winning of grand championships in 1959 at the International Livestock Exposition and the American Royal, and in 1961 at the National Western Livestock Show, and at many leading state fairs the last several years has given us confidence that our aim has been right.

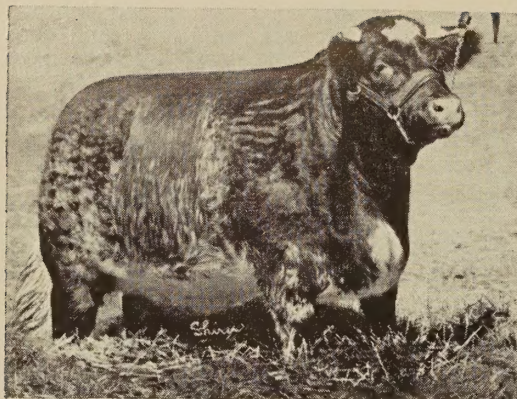

Von Ber Mar pedigrees are filled with the names of breeders who have contributed much to the improvement of Shorthorns on both sides of the Atlantic. We will make every effort to carry on the work of these master breeders.

We are proud of this offering because it is backed by a wealth of imported blood that should be helpful to breeders in their efforts toward improvement. Further, nearly all lots selling were bred by us, and the balance of the offering were calved here. We are offering the get, service, or both of each one of our great herd sires.

We are proud to offer these sons and daughters of the world famous sire, Kair Masterkey, here in America, and right here at Von Ber Mar Farms. We believe they will be readily accepted in the leading herds in America. We are equally proud of the balance of the bull and female offering by our other great sires. They are a worthy lot and a very fairly selected representative cross section of our entire herd.

Again—we hope to have the honor of your presence at our third Annual Sale at Von Ber Mar Farms.

Vaughn V. Moore, Owner.

Von Ber Mar Broadhooks 3d

Grand Champion female and Supreme Champion Shorthorn at the 1959 International. Also Champion American Royal, Iowa and Missouri State Fairs, for Von Ber Mar Farms. Now a valued member of their breeding herd.

There is much to see at Von Ber Mar Farms. Plan to spend Sunday, November 11th at the farm for a leisurely inspection and join the crowd that evening for a Shorthorn get-together where Owner Vaughn Moore and Manager Jim Early will be hosts.

The third Annual Von Ber Mar Sale is the kind you feel proud to be associated with and enjoy fulfilling its management duties. Several years ago after many years as a successful business man Vaughn Moore returned to Iowa and bought the home farm where he was born and where Shorthorn cattle were maintained during his boyhood years. Ownership of this farm caused a desire to own Shorthorns of which a few were acquired. This start increased the desire to acquire more farms and more Shorthorns, with the aim to establish a large herd with capacity enough to supply royally bred seed stock at all times

Spending some time at Von Ber Mar Farms as many others and I have done several times during the past convinces you that Vaughn has done just that, with the exception that he has done far more. With thousands of others the country over you realize that Vaughn Moore has established one of the largest and one of the strongest herds in America and of the breed. It is evident that this has been done through careful selection of the very best foundation stock obtainable all over the United States, Canada and Scotland,, and in good management practices. The herd now numbers nearly 300 head. Therefore, this tremendous production sale offering with nearly all calved at Von Ber Mar Farms is made possible.

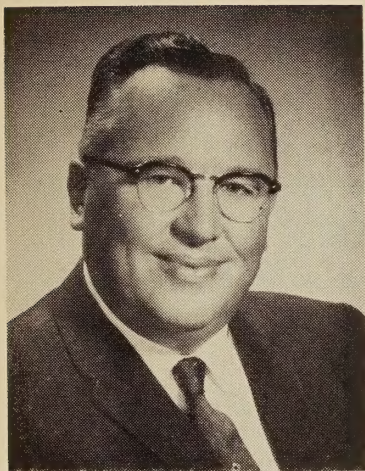

Study this catalog very carefully. It is a richly bred offering. all are by noted imported sires. Eighty percent are out of imported cows or daughters of imported cows whose pedigrees contain the very best breeding in Scotland. The bulls are an outstanding lot from which many of the most critical can select herd bulls. The royally bred females can strengthen many herds in the land. An opportunity to obtain the get and service in one sale of one of the greatest herd bull batteries in America such as the noted sires at Von Ber Mar Farms rarely presents itself. An attraction is the offering for sale of the sons and daughters sired in America by World Famous Kair Masterkey. Many breeders will wish to avail them selves of this buying opportunity. That the aims of Vaughn Moore has been correct is evidenced by the championship winnings of Von Ber Mar Farms at the 1959 International, American Royal, and leading state fairs and at the 1961 National Western.

In addition to building a great herd, Vaughn Moore has been a tireless and energetic worker in behalf of the entire Shorthorn industry over the entire United States. Many of you have observed him in his role and appreciated his help. However, I sincerely hope that you make plans to be at Von Ber Mar Farms on sale day and help yourself to the results of his great work in improving Scotch Shorthorns.

HERE IS WHAT MANAGER JIM EARLY, A FORMER WELL KNOWN BREEDER OF IMPROVING SHORTHORNS, HAS TO SAY—

When the news flashed that the World Famous Kair Masterkey was coming to Von Ber Mar, we all wondered how Vaughn got the job done. One thing we do know is that it took plenty of maneuvering and cash.

Kair Masterkey wears his name well. When you are looking at this proud, stylish fellow, either in paddock or in the pasture, you realize that you are not looking at just another bull. You will be impressed with the balance of this bull in his everyday breeding form. So many ex-champions when they get some age and in ordinary breeding condition resemble a buffalo. Not this fellow. Look at him from any angle, from the front you will be impressed by his great head, neck and shoulders; from the side you will note his great depth of body, balance, good top and underline; step behind him, you will like his long bulging quarters, deep twist and great spring of rib.

If you were trying to pick the top sire in the business, taking all things into consideration, individuality, size, bone, head, deep muscling of red meat, balance, show winnings, sire of winners and their ability to produce his kind, Kair Masterkey would be a bull you would have to consider.

Come take a look at our Royally bred cow herd here at Von Ber Mar and you will realize that you are bound to hear more about Kair Masterkey. We call your attention to the size, depth, thickness, bone and beautiful heads of the breeding herd which you will note is being transmitted to their beautiful calves at foot.

The thing that impresses one here at Von Ber Mar is the doing ability of these cattle. Most of you are aware of the severe weather here last winter, and needless to say, some of the cattle did not fare too well. You would need to feed the cattle as I have, to really appreciate their feeding ability. I have never fed cattle that have done better.

Much has been said about Kair Masterkey, but he is not the only great sire here at Von Ber Mar. There is Glamis Masterstroke, Von Ber Mar Roan Robin, Phopacy Maestro and Louada Valiant. All have sired and are still siring top cattle. We had the misfortune of losing Glastullich Crusader this summer, but the beautiful sweet headed females left in the breeding herd and the three selling in the sale are living proof of his ability as a sire.

From what we have seen, Kair Masterkey's daughters mated to Von Ber Mar Roan Robin could very well be the perfect niche.

The latch string is always out at Von Ber Mar. Stop in anytime.

Jim Early, Manager

VON BER MAR ROAN ROBIN

**Grand Champion bull 1961
National Western Live
stock Show for Von Ber Mar
Farms.**

Von Ber Mar Roan Robin became the first bull in history to register at the swank Hilton Hotel in Denver. Truett Gore, the manager of the hotel, hands R. Roan Robin a pen for registration, but R. Roan Robin declined the offer since he had already been registered by the American Shorthorn Association office in Omaha. He did accept the hospitality of the house and spent the evening reclining on a mountainous couch of Colorado wheat straw in the middle of the lobby.

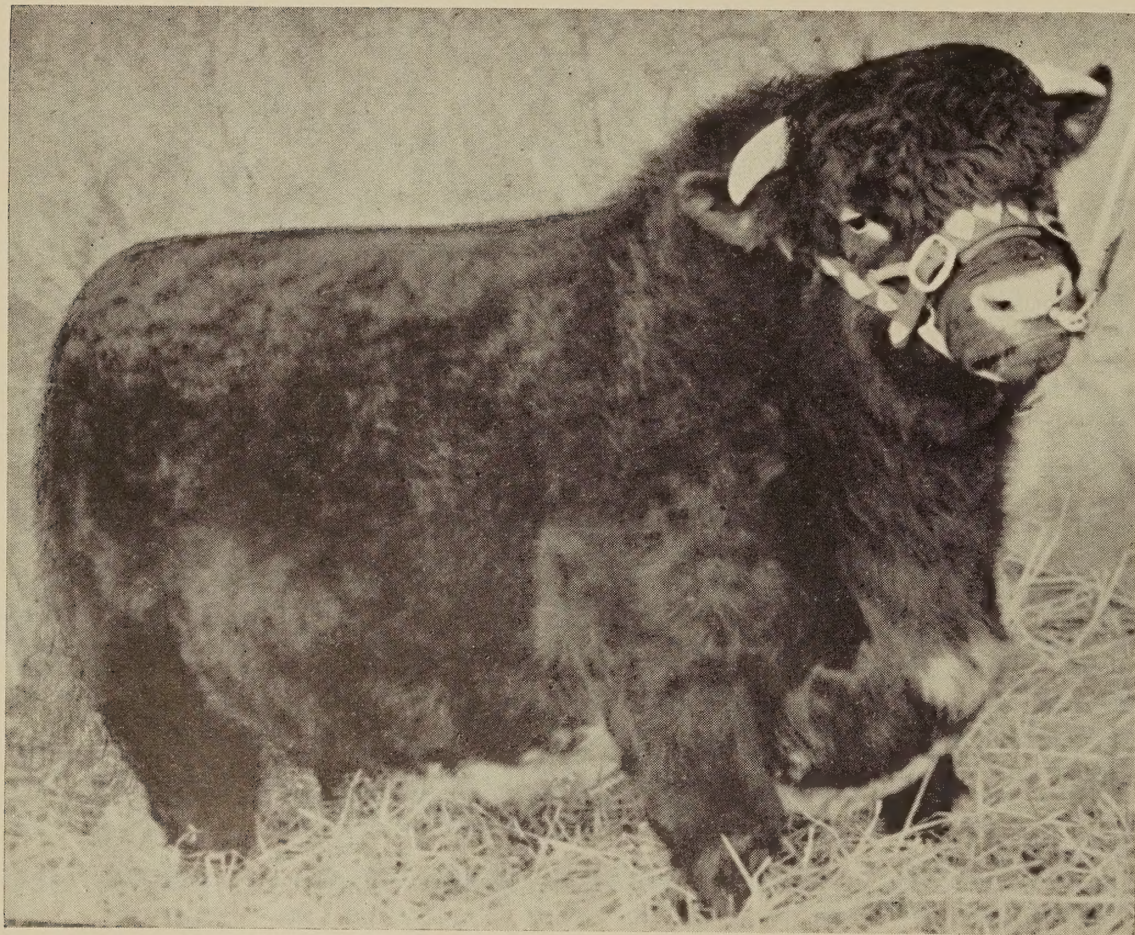

R. Roan Robin was the center of attraction the night of the Shorthorn Association annual meeting and banquet. His owner, who occupied less spacious quarters in another part of the hotel, hopes the experience has not spoiled his junior herd sire—as Moore said, “It is not every bull that gets to sleep in a hotel lobby 300 feet long with an open bar at one end and a star spangled Christmas tree at the other.”

KAIR MASTERKEY—Fortunate was the day we were able to purchase this world famous sire. Only because nearly all of his daughters were being retained in the famous Glamis herd who purchased him for \$16,800 in the Perth Sale were we able to do so. Kair Masterkey is a great individual, possessing the bone, shortness of leg and breed character so sought after. His great record of proven prepotency is summarized elsewhere in this catalog. Study it carefully. His sons and daughters are in outstanding herds on three continents. Seven bulls and fourteen females by him sell.

VON BER MAR ROAN ROBIN—We bought Glastullich Princess Dinah in Scotland and made arrangements to have her mated to the noted Bapton Roan Robin, the son of the \$50,000 Bapton Constructor that was retained for use in the Bapton herd and later sold to New Zealand. We were fortunate to have this cow drop an outstanding bull calf that has been good since the day he was born. He is Von Ber Mar Roan Robin who is a half-brother to the great Louada bull, Kinellar Roan Robin. As a junior calf in 1959 Von Ber Mar Roan Robin was made grand champion bull of the Iowa State Fair and won his class at the American Royal. In 1961 he was made grand champion bull of the great National Western show at Denver. To give the top Shorthorn breeders what they have been asking for, we are selling 14 daughters of Kair Masterkey bred to him.

Right—This is BAPTON ROAN ROBIN, the sire of our great junior herd bull Von Ber Mar Roan Robin whose pedigree appears on the preceding page. Bapton Roan Robin is the bull that was retained in the famous Bapton Herd when his sire, Bapton Constructor, was sold to Louada Farms at \$50,000. He is the sire of Kinnellar Royal Robin, also in service at Louada.

Left—GLASTULLICH PRINCESS DINAH with Vaughn V. Moore holding. Photo was taken in Scotland at time Mr. Moore purchased this heifer. He made arrangements to have her bred to Bapton Roan Robin. The resulting calf dropped at Von Ber Mar Farms was Von Ber Mar Roan Robin, the Denver and Iowa State Fair Champion.

GLAMIS MASTERSTROKE—We purchased this bull in the 1958 Mathers sale for \$3,800 before we purchased his world famous sire, Kair Masterkey. Glamis Masterstroke stood fourth in a strong class at the 1958 Perth Show. He is an outstanding individual with scale, bone, substance and character. His dam is one of the top cows of the Flossie tribe in the Glamis herd. Most of the famous Calrossie bulls are in her pedigree. The First son of this bull sold was Von Ber Mar Masterstroke who topped our 1960 sale selling to Bit O'Heaven Farm, Prospect, Kentucky, for \$2,950. His sons in our 1961 sale sold to five states.

VON BER MAR BEAUTY 6TH—One of the three Crusader daughters selling in this sale. You will note that Glastullich Crusader is by Calrossie Hyperbole, who sired the 1958 Perth Supreme Champion, the \$39,000 Calrossie Fortitude. His dam, by the noted Kirkton Baronet, is out of the same dam as the great Glastullich Fortress, who sired a Perth champion. The second top bull at \$2,000 and the top female at \$2,500 in our 1960 sale were by Crusader. Jim McClellan of Carthage, Mo., has an outstanding heifer out of Hazleyshaw Beauty, purchased in our 1961 sale. Von Ber Mar Beauty 6th was mated to Von Ber Mar Roan Robin, Sept. 27, 1962.

STANDARD GUARANTEE

AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the

full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam as well as service dates.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
